Representative Larry Potts receives 2023 Legislator of the Year Award from Friends of Residents in Long Term Care

Every year, Friends of Residents in Long Term Care likes to honor a North Carolina legislator who has made positive contributions to long term care policy changes with a Legislator of the Year Award.

This year, we honored Representative Larry Potts, representing Davidson County. Representative Potts was instrumental in ensuring the Personal Needs Allowance increase for nursing home residents was included in the final state budget. Representative Potts is always open to hearing from North Carolinians needs related to long term care.

Representative Potts served on the Board of Commissioners for several terms before his term expired in December 2016 and he was elected as North Carolina House Representative for District 81.
